THE Holy Year OF 1950

PRAYER FOR THE HOLY YEAR 1950

Almighty and eternal God, with all our soul we thank Thee for the great gift of the Holy Year. O Heavenly Father, Who sees all, Who reads and rules the hearts of men, render them docile to the voice of Thy Son in this time of grace and salvation. May that Holy Year be for all a year of purification and of sanctification, interior life and reparation, a year of great return and great forgiveness. Grant to those who suffer persecution for the Faith, Thy spirit of fortitude to bind them indissolubly to Christ and to His Church. Protect, O Lord, Thy Son's Vicar on earth, the Bishops, priests, Religious, and faithful. Grant that all, priests and laity, young, adults and old, may form, through a firm union of intentions and affections, a solid rock against which the fury of Thy enemies will destroy itself. May Thy grace enkindle in all men love toward the great numbers of unfortunate people whom poverty and misery has reduced to a condition of life unworthy of human beings. Awaken in the souls of those who call Thee Father a hunger and thirst for social justice and fraternal charity, in deed and in truth. Grant, O Lord, peace to our days, peace to the fatherland, peace between the nations. May the rainbow of peace and reconciliation again enfold under its bow of serene light the land which was sanctified by the life and passion of Thy Divine Son. God of all consolation! Profound is our misery, grave are our faults, numberless our needs, but greater than all is our faith in Thee. Aware of our unworthiness, we filially place our lot in Thy hands, uniting our poor prayers to the intercession and merits of the most glorious Virgin Mary and all the Saints. Grant to the sick resignation and health, to young men strength of faith, to young women purity, to fathers prosperity and sanctity of the family, to mothers efficacy in their teaching mission, to orphans affectionate protection, to refugees and prisoners a homeland, and to all Thy grace, in preparation for, and in pledge of, eternal happiness in heaven. Amen.

REV. BR. MICHAEL O. O'HEHIR

Dedication

WE, the Senior Class, dedicate this, the 1950 LION, to Brother Michael O. O'Hehir in appreciation of his brotherly attention to us, the students of Leo.

For a decade he has advised and directed us in our Faith, strengthened us in our Christian ideals, and has established in our minds, a lasting impression of our duties to God, our fellowman, and our country.

It is in this capacity that we extend this modest token of gratitude in recognition of his deep interest in our religious development and Christian attitude toward education. In view of these efforts, we offer a sincere tribute to him for his fatherly concern for us. Because he has influenced so many men of Leo through a decade, his example has laid the foundations for countless Catholic lives in their service to God and country.

His virtue and his religious devotion to his vocation distinguish him as an invaluable asset to the Christian Brothers of Ireland.

May his example and his influential instructions guide us always.

Brother O'Hehir at work in the classroom.

Holy Year

His Holiness, Pope Pius XII, Vicar of Christ on earth, proclaimed 1950 a Holy Year and designated it the "Year of Great Return," to indicate the purpose and object of the observance: to draw all men to Christ.

So it shall be the constant prayer of the Holy Father and of his faithful children throughout the world that, in the Holy Year of 1950, Divine Mercy will draw a deep response from the heart of mankind.

To as many as accept the Savior and His teachings, will He bring peace. And if, through the mercy of God and the prayers of the faithful and the mediation of Our Blessed Mother, 1950 should prove to be the Year of Great Return and the world at large turns to the Prince of Peace, its Savior, then the world can hope to enjoy the blessings of peace.

"Education is an ascension to the perfection of the human person, to the realization of the fact that man is the triumph of creation and its king. When taken as less, the human person slips back, away from his true greatness."

OUR FACULTY

The dignity and importance of any work can be measured only by the results which such work is calculated to achieve. Catholic education prepares us for Christlike living in our American Democratic Society. It is to this work that our teachers here at Leo are so unselfishly giving their talents and efforts.

ACTIVITIES

Although the greater part of our day at Leo is spent in the classroom, we have found time to engage in a variety of activities. The excitement of the year is over but the camera has captured the many phases of our school life. On the following pages we present those varied activities as a permanent record which, we hope, will serve in the future as a reminder of a pleasant year spent at Leo. On the football field we fought for victory; on the stage we found amusement; and in the chapel we prayed that God would send peace to a troubled world.

DRAMA

Our music and drama departments, assisted by girls from four Catholic high schools, combined their talents to offer "The Pirates of Penzance" in the spring of 1949 and "Robinhood, Inc." in April of the current year.

These pretentious projects were undertaken and their success was assured because of the kindly encouragement and generous cooperation of so many good friends of Leo High School. We are indebted to them and to the principals of Aquinas High School, Longwood Academy, Loretto High School and Mercy High School for permitting their students to participate and to the young men and ladies of the casts, who during endless rehearsals, gave generously of their time and energies.

Scenes from the play, "Moonset", this year's dramatic production.

Again this year as in the past the Leo band has had a very successful season. The precision and smartness of the displays given during the intermission periods thrilled our football fans and showed that Leo still has one of the best high school bands in Chicago.

At the end of the football season our band boys settled down to serious work on the concert season program. During the year ten concerts were given. Each performance showed a very high standard in the ability of our boys to play classical music. The high light of the year was the spring concert given at Mercy auditorium on May 10th.

Mr. Leo Henning, our new bandmaster, is an expert at his work. In addition to his regular hours, Mr. Henning unselfishly devoted several periods of his own time in an earnest endeavor to make the Leo Band one of the best marching and music groups in the city. Mr. Harry Wachdorf, our associate bandmaster, has given Mr. Henning much valuable assistance. With two such capable instructors so ably helped by our moderator, Brother Bradley, the band looks forward to another successful season.

This year, thanks to Rev. Br. J. G. Keogh, the editors, and the staff members, Leo's student publication is one to remember. Realizing what the students wanted in their paper, the editors and Br. Keogh decided on a "New Look" for the *Oriole*. The convenient size, number of pages, and the variety of columns and material were chosen after weeks of planning and hard work. The students unanimously welcomed the change.

The feature articles and sports were handled very capably by the three editors and the nineteen staff members. The photography, supervised by Rev. Br. M. D. Cunningham, and the art work of Pat Doyle were handled exceptionally well throughout the year.

Thanks to the *Oriole* moderator and members of the staff for a job well done.

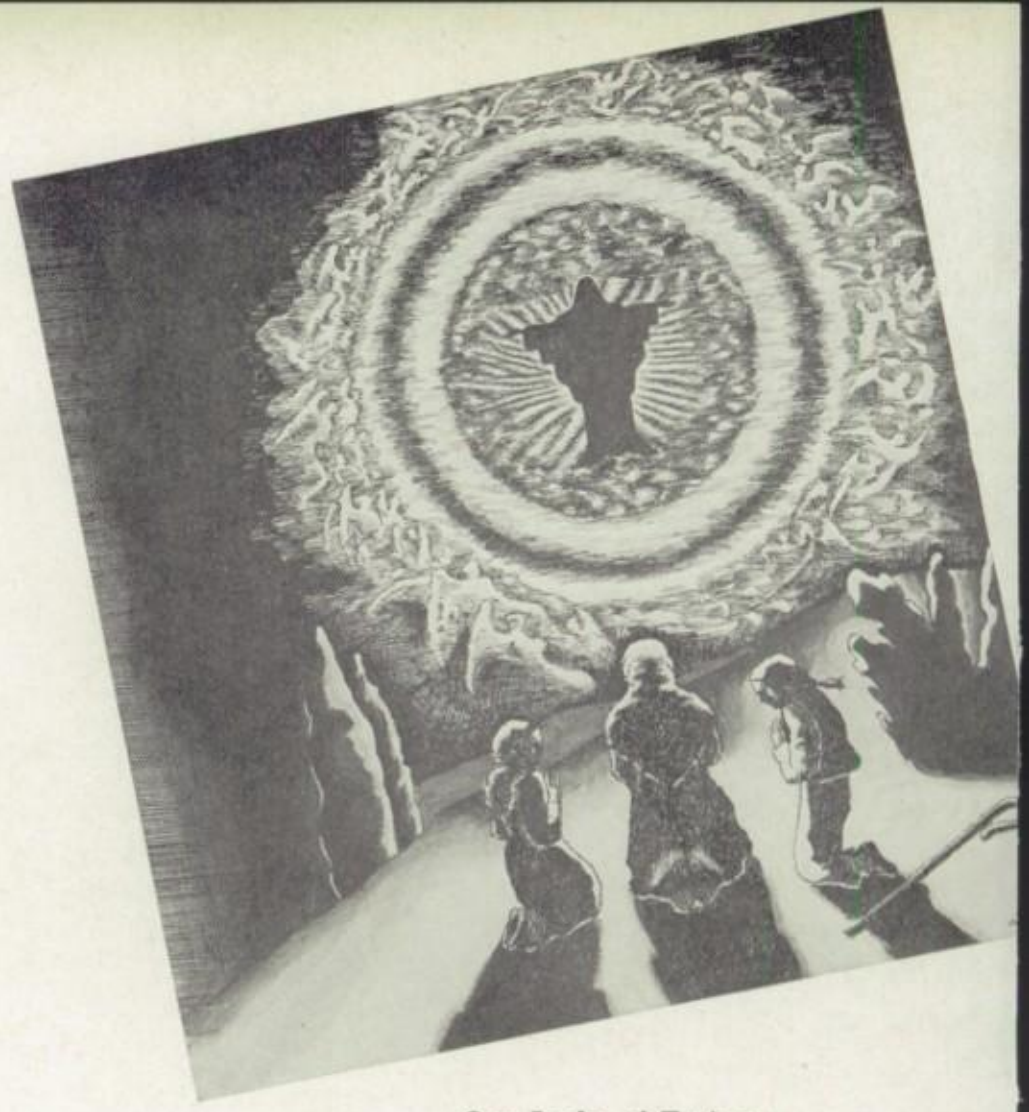
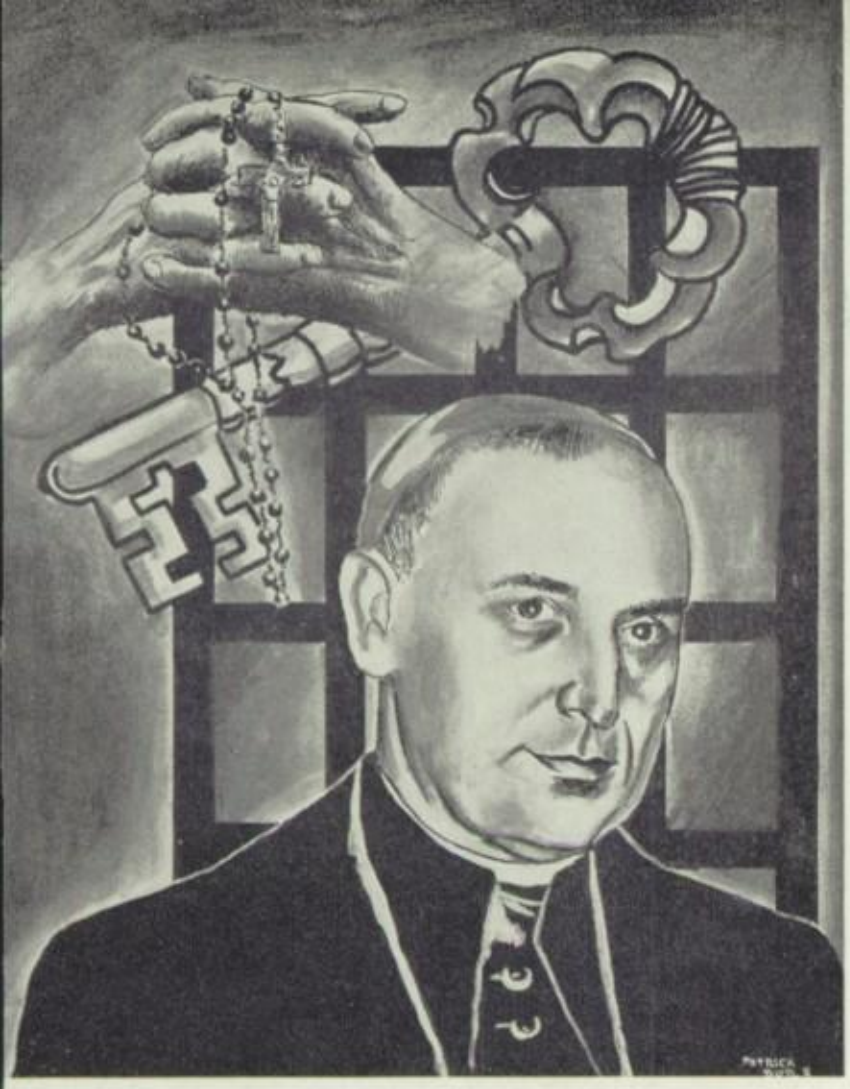
RELIGIOUS ACTIVITIES AT LEO



Our Lady of Fatima

The statue of Our Lady of Fatima in the Leo Chapel



Cardinal Mindszenty

Rev. William Devereux

Father Devereux, who has given us much of his time as our chaplin, hears confessions several times each week at a convenient time for the students. In addition to his spiritual work among us, Father has consistently given his wholehearted support to our many school activities. We thank him for his sincere interest in our work, and we assure him of our appreciation for his devoted attention to our spiritual needs.

Brother Fellows has organized the Vocation Club

Weekly Confession in the Chapel

LEGION OF MARY

A Praesidium or Branch of The Legion of Mary began to function in Leo during the year. The army or legion of Mary, branches of which are to be found today in most Christian countries, sprang up spontaneously in Dublin, Ireland, September 7th, 1921. The setting of the first memorable meeting is reproduced in every assembly of the legionnaires wherever found: a table with a statue of our Blessed Lady standing on a white cloth and flanked by two vases with flowers, and by two candlesticks with lighted candles. This simple setting crystalizes everything for which The Legion stands: humble prayer in union with Mary accompanied by considerations, plans and discussions of how best to please God and promote His Glory in His world.

MISSIONS

Brother Tuohy has led an enthusicstic group of mission campaigners in an effort to raise funds for the missionaries in the field afar.

CISCA

The Chicago Inter-Student Catholic Action Program here at Leo, has taken seriously the words of our Holy Father: "And since the priest can reach neither everybody nor everything, and as his work is not always able to meet adequately all needs, those who serve in the Catholic Action ranks must offer the aid of their own experience and activity."

RETREATS

Added to our four year course in Religion, we have established here at Leo through the years various religious activities and societies. Chief among these are the Society for the Propagation of the Faith of which we are all members, the Knights of the Blessed Sacrament in which a great majority of us are enrolled, and the Chicago Inter-Student Catholic Action organization (Cisca) with which our school is affiliated. Recently we introduced a new society called the Legion of Mary. Its purpose is to foster among us devotion to the Blessed Virgin.

The presence of the Blessed Sacrament in our school chapel also adds to our religious environment. Mass is offered here twice daily giving us the opportunity of benefiting in this Holy Sacrifice. Our annual retreats, first Friday devotions, and daily visits form an important part of our religious life at Leo.

LIBRARY STAFF

The students on the Library Staff are divided into two groups. The first group includes those boys who do the daily routine jobs of charging out books, taking back books, putting books back on the shelves, making out lists of overdue books and notifying the delinquents, collecting fines for overdue books, keeping the shelves in order, or taking care of the magazines. The second group consists of a number of students who for two months devoted their spare time before school, after school, or during study periods to assist the librarian in listing all the books in the library as a preparation for making a catalog. This was exacting work as all the required information had to be copied down in the proper form so that the correct catalog cards could be ordered. Some library science students from Rosary College assisted in this work and are making out the list of cards.

Every year the Senior Class publishes its graphic account, *The Lion*, as a reminder and a cherished souvenir of their four well spent years at Leo. We sincerely believe we have turned out a book which gives a good coverage of the many phases of our school life. If this be the case, the praise should be given to the untiring work of the editors, the staff, and to our moderator, Brother Manning, whose assistance and advice have made this publication possible.

We thank the teachers and coaches for putting up with the many annoyances we caused them with our untimely disturbances in the midst of their work.

In the second year of existence, the Student Council has expanded its program to include many additional student activities. The Student Council was organized in September, '48 for the purpose of cooperating with the faculty through the medium of student government. The student governing body consists of an executive body and a cabinet composed of two seniors elected by each division of the senior class. Representatives are elected by each division of the freshman, sophomore, junior and senior classes to serve in an advisory capacity as members of the General Assembly. A Student Court composed of an elected Chief Justice and eight associate justices was selected from members of the General Assembly. The purpose of the court is to afford students who have violated school regulations the opportunity of defending themselves.

During the past school year the Student Council sponsored many social, academic and athletic activities. Despite some setbacks the Student Council sponsored events were successful. The activity calendar of the council opened with the Homecoming Dance after the Leo-Carmel Football Classic; on November 1, a senior trip to Stateville prison proved to be instructive. The football season was highlighted by many successful pep meetings; a public address service was again offered to our football fans as a part of the Council's program; a trophy was awarded to the most valuable player of the Lions by the Student Council, as well as the trophies awarded to the most valuable player on the Heavyweight and Lightweight Basketball Teams. Other activities sponsored by the Council were the Junior Dance, Senior Prom, Holiday Hop, Senior Week and Senior Outing. A gold medal for school spirit was donated by the Student Council in memory of Corporal John P. Fardy '40 and awarded to an outstanding senior at the Graduation Exercises, June 6.

The student body are grateful to the members of the Student Council and their class representatives for their many accomplishments during the school year 1949-50.

ND MOTHERS' CLUB

MOTHERS' CLUB

In this, the 24th year of Leo, we are fortunate in again boasting of a most successful year for the Leo Mothers' Club. No one can quite realize the extent of the relationship this organization has with our school in contributing to it material and financial aid, moral support and especially wholehearted cooperation.

Each year the club furnishes a gift that is most needed by the school or the Brothers with the proceeds from many successful card parties and gala social affairs. Due to this, many financial burdens and inconveniences have been eliminated, thus making the club virtually invaluable as an asset to our great school.

On behalf of the president, Mrs. Frank Nessinger; the moderator, Rev. Br. Keogh; the spiritual director, Rev. Father Coyle; the officers and all the members, we, the men of Leo, proudly salute and sincerely congratulate the club for its appreciable contributions made possible by an almost complete membership.

Proudly boasting of one of the finest organizations of Catholic women in the city of Chicago, we cannot thank them sufficiently for the worth of their material interest in our teachers and our enterprises.

FATHERS' CLUB

The Fathers' Club of Leo High School has proven to be a vital part of the academic life of the school. During the past school year the club has undertaken many projects which have benefited the student body. The traditional football and basketball banquets highlighted an extensive program. The Morrison Hotel was the scene of the Football Banquet and the Basketball Banquet was held at Nielsen's Restaurant. A new activity sponsored by the Fathers' Club was the series of boxing bouts in which the members of Leo's newly formed boxing team displayed the manly art of self defense. The Fathers' Club were hosts on two occasions to boxing teams from Catholic High Schools of Chicago.

The Annual Oratorical Contest sponsored by the Fathers' Club afforded opportunity to the seniors to win the one hundred fifty dollar Monsignor Shewbridge Scholarship. The successful orators among the underclassmen were awarded gold medals by the fathers.

Gold medals for general excellence were awarded by the Fathers' Club in honor of Rev. Brother Doorley, first principal; Ven. Brother Ignatius Rice, founder of the Christian Brothers; Rev. Brother Curtis, second principal; and James J. Doody, prominent Catholic layman and member of the Fathers' Club to worthy students of the senior, junior, sophomore and freshman classes.

The senior class were the honored guests of the Fathers' and Mothers' Clubs at a Communion Breakfast, June 5. This event brought to a close a very successful year. The student body are grateful to their dads for the many activities which were sponsored by the club for their benefit and which were tangible proof of their interest in Leo High School.

Mr. G. Tucker, Senior Vice-President; Mr. M. Sweeney, President; Mr. R. McDermott, Treasurer; Mr. G. Sullivan, Secretary.

VOCATIONAL GUIDANCE

The Vocational Guidance Program, under the direction and supervision of Professor Allegretti, started in September of 1948 and has been making definite progress ever since. The work of this activity is to aid the pupil in finding his right field of endeavor.

Every assistance is given the student in selecting a college best fitted to his career. Mr. Allegretti has called upon representatives from various midwestern universities, including De Paul, Loyola, St. Thomas, Loras, St. Mary's (Minneapolis), Notre Dame, St. Benedict's, St. Norbert's, St. Louis, and Xavier. Professional men from the fields of law, medicine, pharmacy, dentistry, engineering, chemistry, accounting, and architecture have conducted informal discussions with senior groups.

This counseling program has been a definite help to many graduates and we hope that the senior class of next year will make use of the advantages it offers.

Prof. P. J. Allegretti

Now if you intend to go to Notre Dame . . .

Captain James C. Walsh, U.S.M.C., a recruiting officer, visited Leo to secure applicants for the United States Marine Corps. Captain Walsh is only one of the many professional men to address the Senior Class.

FRESHMEN

The freshmen display their little green caps. We of the senior class hope that they will cherish and uphold the best traditions of Leo.

ATHLETICS

In his recent encyclical "Anni Sacri", His Holiness Pope Pius XII delivered a plea for all Catholics to join with him in prayer " . . . imploring from Divine mercy that a new order based on truth, justice and charity, may arise from the longed-for restoration of morals". In it he calls upon youth, we of Leo, to exemplify, for the preservation of a well ordered and well regulated society, the qualities of truthfulness, simple justice and common charity — the justice and charity we have learned through experience on the gridiron, on the basketball court, in boxing, in every competitive sport — in all activity. He refers to the necessity of common charity and fair play for true peace of heart, civil concord and the well-being of nations. Active sport, as it is conducive to the development of sound minds and healthy bodies is also conducive to this fair play and charity.

We, here at Leo, have been provided with an extensive athletic program, the best of coaches and the best of equipment. The *Lion* staff, in the following pages, has endeavored to present a complete review of this past athletic season. It is one worthy to be preserved in the annals of Leo High School.

Congratulations to the Leo football squad, to the coaches, and to all connected with our team. The spirit of cooperation, ability and hard work were exemplified by every Leo player. Though playing under one loss almost all season, the Lions failed to be discouraged. They gave the opposition everything they had and as a result finished second in the Catholic School League — a record to be proud of. Thirteen members of the Leo squad were honored on all-star teams and a number of times on prep team. The following received the honors: Bob Smith, All-South Section, All-Catholic, honorable mention, All-State; Schwab and Martin, All-South Section, All-Catholic; Coughlan, All-South, honorable mention; Chonacki, All-South, honorable mention; Eckenstein, Meyer, Nelson, Wage, O'Connell, Stapleton, Thompson, and Lucy, honorable mention.

The enviable record of Leo's basketball season of 1949-50 is proof of the style of ball the Lion cagers played. The phenomenal record of the Bantams and the success of the Reserves predicted for the "dopesters" the strength of the Lions for the basketball season 1950-51. Much credit is due to Jim Arneberg for the success of these teams.

Despite the "spotted" pre-season record of the Lightweights, they, nevertheless, developed as a team of potential champions before the end of the season. Sparkplugged by the consistent aggressive floor play of the dynamic Bill Sullivan, the Lights won eleven games in twenty-one starts.

The Heavies, a strong pre-season favorite, finished third in the South Section. The stellar play of Each, Bagley, Martin and Egan during the season frequently proved to be too much for the opposition. Injuries contributed much to the disappointing finish of the Heavies. For a time things looked brighter for the Heavies when Sullivan was moved up from the Lights and gave the team that necessary "shot-in-the-arm". Despite Sully's brilliant floor work, St. Pat's nosed out a 48-47 victory in the Catholic High School play-offs.

Congratulations to Coach Gleason for a job well done. The spirit which both clubs manifested at all times was due to the untiring efforts of the athletic director, Brother Cotter.

Track and field Athletics took on a new lease of life in Leo last season. BOXING

The Leo High Squad is now in its second year and, already, signs of its maturity are to be seen. Besides meets with other schools Leo again entered the Rita Invitational Tournament and Ed. O'Malley in the 115 pound class reached the finals by TKOing his two previous opponents. He lost to last year's champion by a two to one decision of the judges. Besides winning a second place trophy he was also awarded the Bishop Sheil trophy for sportsmanship.

Brother Bowman, our moderator, has already laid plans for next season's activities, and he looks forward to an even more successful year.

A Friday afternoon at Chatham Bowl

BOWLING

One of the most recent and popular sports to come to Leo is bowling.

The moderator of this activity is Mr. R. Lyons. We have secured a local establishment for our league, at Chatham Bowling Center, where we bowl every Friday after school.

Through the instructions of Mr. Lyons many promising newcomers have developed their style and some day will become top notch bowlers. The competition is held strictly between the students of Leo but we occasionally bowl in national tournaments.

The Bowling Team sincerely thanks Mr. Lyons for his long hours of work and instructions on behalf of the team.

Steady now . . .

PAT DOYLE TELLS HIS STORY

HOLY YEAR

The opening of the holy door of St. Peter's basilica by Pope Pius XII and the opening of similar doors at the basilicas of St. John's, St. Paul's, and St. Mary's marked the beginning of the 1950 Holy Year, the 25th in the history of the Roman Catholic Church.

This ancient ritual was instituted in 1300 A. D. by Pope Boniface VIII. The omission of the Jubilees of 1800, 1850, and 1875 was due to political disturbances; but with these exceptions the celebration has been uniformly maintained every twenty-five years from 1450 until the present time. Formerly, the door was unwalled only once in a hundred years, but this was later reduced to fifty, and is now performed every quarter of a century. The symbolism of the ceremony is closely connected with the expulsion of Adam and Eve from Paradise, and it also vizualizes the opening up of a way to the abundance of God's special mercies.

In the theme I have tried to illustrate the important parts of the Jubilee Year. I have visualized the Pope in realistic fashion in the first illustration and have mounted him on a background of purely spiritual significance. The second drawing is the religious ceremony opening the Holy Year, while the third illustrates a world at prayer under the guidance of our Holy Father. In the fourth and last drawing which ends the theme I have again emphasized the need for prayer, for in this jubilee of jubilees the only light on a dim world can come from God.
